> Int'l Energy-Saving & Advanced Wall Material Exhibition

Shanghai New International Expo
In this center of industrialization and urbanization, what can we do to decrease our energy consumption? Discover how to "go green" and save energy at this exhibition, showcasing the most advanced energy-saving materials and techniques currently available. www.expoicc.com

Through Fri., August 31

> Vervia's sizzling summer sale

Vervia

The house of innovation turns up the summer heat by putting selected hot design pieces on sale for up to 60 percent off. Grab items from the recent summer collection and shop to be inspired. The mix of ancient and contemporary visual concepts will bring a vivid energy to your home.

Tuesday, Sept. 11-12

> The 2nd World Furniture Congress

Shanghai International Convention Center

If you love furniture then you may want to head to this convention where nearly 500 furniture manufacturers from China and over 150 from abroad are coming to take part. Sponsored by the China Furniture Association and Shanghai CMP Sinoexpo International Exhibition Co., Ltd., the event may just give you that bit of inspiration you were looking for to finish off that new project. 6437-1178 ext.281, www.itpc.com.cn

Wednesday, Sept. 12-15

> The 13th China International Furniture Expo

Shanghai New Int'l Expo Centre, Shanghai Science & Technology Museum, Pudong Expo Centre

A landmark event for the furniture industry in Asia, this event will attract more than 1,680 exhibitors featuring some of Asia's best designs and quality

products. The show is expected to draw over 70,000 visitors including 12,000 international buyers. 6437-1178, www.cmpsinoexpo.com/furniture

> Office Furniture China 2007

Shanghai New Int'l Expo Centre, Shanghai Pudong Exhibition Centre

Given that some of us live and breathe our work, our work space often becomes a second home. Therefore, a comfortable space with good quality furniture is becoming a must. This trade fair focuses on office furniture and other office products as well as the latest trends in office lifestyle. 6437-1178, rainyzhou@cmpsinoexpo.com

> Kitchen & Cabinet China 2007 (KCC 2007)

Shanghai New International Expo Centre

This unique marketing platform gives kitchen manufacturers a new venue in which kitchen furniture can appear as an independent category. KCC 2007 brings together manufacturers, distributors and retailers to help the market reach its full potential. This is a great platform for new businesses to showcase their products and services, network and build up their brand image. www.furniture-china.cn/kitchen

Ongoing

> Old Store Gets a New Look

Simply Life Dongping Store

This branch store is part of the famed mansion "Ailu," former residence of General Chiang Kai Shek and Madam Soong Mei Ling, and has been renovated to restore the building's

past glory. A treasure trove of gift ideas and unique home accessories with an eclectic mix of imported and Chinese products and famous international and Chinese brands, the items all promote Simply Life's "modern China" theme. Take advantage of the store's summer special and receive a free gift when spending over ¥300. 3406-0509

> New Store

Lehman & Qian

This traditional Chinese artefact brand's new flagship store at Zizhong Lu is 800 sq. meters and includes more hand painted silk products combining Chinese patterns with Eastern designs. 5351-0801
