# **Home & Office**

### **Events**

If you're interested in home design, we recommend several exhibitions for you such as the "Get It Louder 2007" and the 18th Shanghai International Construction Material and Indoor Decoration Exhibition.

### Through Saturday, Aug. 4

#### > Get It Louder 2007 Life Hub @ Daning

This platform for funky young designers from around the world, "Get it Louder," features a series of lectures, events and exhibitions showcasing these young talents. NYC-based artist and architect Kyong Park will premier his "Lost Highway Expedition" which explores the problem of Detroit as a Fordist city and its implications for cities in Asia. Just one of the many

exhibitions on display, the afternoons

will entertain film screenings as well as chances to meet the artists and guest speakers. www.getitiouder.com

### Tuesday, Aug. 21-24

> The 18th Shanghai Int'l Construction Material and Indoor Decoration Exhibition

#### Shanghai New International Expo Center

This exhibition features professional products presented by local and international companies and will showcase the latest in construction materials and other building necessities. www.expojc.com

#### > Int'l Energy-Saving & Advanced Wall Material Exhibition

Shanghai New International Expo In this center of industrialization and urbanization, what can we do to decrease our energy consumption? Discover how to "go green" and save energy at this exhibition showcasing the most advanced energy-saving materials and techniques currently available. www.expojc.com

### Ongoing

#### New Home Décor Store

If the crystal sculptures at Swarovski and Lalique haven't impressed you yet, try Ferichi. This American brand recently launched its fifth outlet on Caoxi Bei Lu, introducing their new crystal series "Snow," which includes limited pieces such as "Symphony." Its sixth shop has just opened at Shanghai Home Expo, offering clayworks, porcelain scultures and other interior decoration pieces, 6888-0180

#### > New Store

#### Lehman & Qian

This traditional Chinese artifact brand's new flagship store at Zizhong Lu is 800 sq. meters and includes more hand painted silk products combining Chinese parterns with Eastern designs. 5351-0801

#### > New Summer Creation

#### **FFDM**

Miss the comfortable country life? Decorate your home with the latest creations from FFDM. Inspired by beautiful Long Island beaches, their Sag Harbor furniture series is made of dark brown solid blocks of walnut wood and is decorated with cherry wood and a natural wavy pattern on the cover. 6218-1977, www.ffdm.com

#### > 2007 Summer Collection

#### Vervia

This Taikang Lu shop, known for artful interiors and fancy knick-knacks with a penchant for the unusual, has launched its Summer 2007 collection. Also, Vervia's own Iris Hreinsdottir has created a new range of sleek picnic baskets for those fun meals in the sun. www.vervia-house.com
